
INTRODUCING

UltraCozy™
POWER RECLINERS

PATENTED COMFORT FOR EVERY GENERATION

UC-665

UC-667

UC-341

COLLECTION

We are launching the UltraCozy line with three models that are all made in North America and offering the best warranty in the industry! All three models have the modern track style arm for continuity in the line.

EXPERIENCE ZERO GRAVITY+

Experience our patented ZG+ position which ergonomically supports the natural angles of your body, allowing all of your muscles and joints to relax as you relish in a feeling of weightlessness.

UC-665
